## Premium Lubricant Made by HYUNDAI

Hyundai Oilbank is concentrating its capabilities to achieve the management goals in 2016, 'Remaining Competitive in Price' and 'Top Priority on Safety in Plant Operation'. The Company has strengthened price competitiveness in the oil refining sector by continuous improvement of upgrading facilities with the purpose to place more importance on production of high value-added oil products and stabilized profits by business diversification into petrochemical business, base oil/lubricant business and oil storage business. The Company is making the best efforts for safe plant environment, for instance, breaking its own record of the longest accident-free hours since the establishment. The construction of the condensate refining/mixed xylene manufacturing plant will be completed in the second half of the year. Hyundai Oilbank will renovate the enterprise value by seeking new business opportunities.

In 2014, HYUNDAI and SHELL Base Oil, the joint venture established collaboratively by Hyundai Oilbank and a global energy firm SHELL, completed the construction of a base oil plant. Constructed on 46,000M2 wide site in Daesan refinery, this plant produces high-quality base oil products amounting to 650,000 tons annually by using 20,000 barrels of well-refined raw materials a day. Significant amount of these products are exported, contributing to the diversification of the company's profit structure, while some of these products are used as raw materials of HYUNDAI XTeer, the premium lubricant brand of Hyundai Oilbank.

XTeer : Abbreviation for 'Extreme Steering', which means 'engine oil for the optimum driving condition'

Hyundai Oilbank is continuously expanding the sales network for 'HYUNDAI XTeer', ranging from gas stations, automobile repair shops to large marts to get closer to customers. The Company has launched a fuel additive brand 'HYUNDAI XTeer Alpha', which reflects customer needs.

**Engine Oil**

# **TOP PRIME** **5W40, 5W30** **0W40**

100% Synthetic Engine Oil for Gasoline Car/Diesel Sedan excellent in reduction of frictional force

XTeer TOP PRIME is a premium performance engine oil formulated with state of the art additives and fully synthetic base fluids. It provides best thermal and oxidative stability for improved oil life and deposit control as well as excellent friction reduction and seal compatibility enhancement.

XTeer TOP PRIME is fully suitable for use in gasoline passenger car, light duty truck, diesel passenger car and LPG passenger car under all operating conditions. The wider temperature range capability of the synthetic base fluid ensures correct oil viscosity which reduces friction at start-up and provides maximum lubrication during high temperature operation in all seasons. The effective anti-wear additive system reduces wear by protecting surfaces when load causes breakdown of the lubricant film.

## *Gasoline Ultra Protection*

**5W40, 5W30  
10W40, 0W30**

100% Synthetic Engine Oil for Gasoline Engines  
enhancing maximum engine power

XTeer Gasoline Ultra Protection is formulated with synthetic technology base oil, which meets the requirements of current advanced engine oil grade of API SN and ILSAC GF-5. XTeer Gasoline Ultra Protection is optimized to provide complete engine oil performance especially for city, road or motor way driving, even in the toughest conditions in all seasons.

## *Gasoline Ultra Efficiency*

**5W20**

Synthetic Engine Oil for Gasoline Engines  
dramatically enhancing fuel efficiency

XTeer Gasoline Ultra Efficiency is formulated with synthetic technology base oil, which meets the requirements of current advanced engine oil grade of API SN and ILSAC GF-5. It is optimized to provide complete engine oil performance especially for fuel efficiency and durability, reducing oil fuel consumption.

XTeer Gasoline Ultra Efficiency guarantees fuel savings without the need to change your driving habits.

## ***Diesel Ultra*** ***5W40, 5W30***

Premium-Grade 100% Synthetic Engine Oil  
for RV/SUV Diesel Engines

XTeer Diesel Ultra is the most advanced synthetic diesel engine oil designed for protecting advanced engine parts as well as the environment. XTeer Diesel Ultra meets the requirements of current advanced engine oil grade of API CF / SN, ACEA C3, A3/B3/B4. XTeer Diesel Ultra is a 100% synthetic diesel engine oil utilizing advanced technology.

## ***Diesel Ultra C3*** ***5W30***

Premium Synthetic Engine Oil for Gasoline Engine  
excellent in fuel efficiency improvement

XTeer Diesel Ultra C3 is a Low SAPS-type synthetic engine oil product with low sulfur oxide/phosphorus/sulfur. XTeer Diesel Ultra C3 contributes to improving DPF/ CPF efficiency and lifespan also maintaining engine component durability by minimizing ash formation in DPF/CPF. As an 100% synthetic oil, XTeer Diesel Ultra C3 is excellent in cold start performance, heat/oxidation stability and viscosity retention.

## HVI VG32, VG46, VG68

### High-Viscosity Wear-Resistance Hydraulic Fluid

XTeer HVI is the best high viscosity anti-wear hydraulic oil. XTeer HVI is formulated with excellent quality base oil technology and a lubricant additive that provides exceptional oxidation stability, water separability and foam suppression. Especially designed to maintain high viscosity index and low pour point for use over a wider temperature range than conventional anti-wear hydraulic oils.
